ANDREA SONYA

PURPOSE

The Andrea Sonya Practice seeks to increase the capacity of people.

MISSION

We equip individuals to develop and mature spiritually and intuitively.

PRODUCTS

The Cultivators is a discipline that includes 50 distinct Cultivators. Each Cultivator provides self-paced guidance and practical exercises focused on a specific topic.

The Collectives is a discipline that includes 10 individual Collectives. Each Collective provides leadership insights into projects, processes, positions, and parameters.

The Cultivators and Collectives are available online through a subscription license.

APPLICATIONS
