## Guidance:

*On the first day, begin with a few minutes where you read the Construct. Continue on to the first question in the lab, and write your thoughts in a notebook or journal. Address the additional questions in the lab at a pace that works for you. Reflect on any insight gained or growth in progress as you close out the Construct.*

## **God's Thoughts and Plans Toward You**

Jeremiah 29:11 states "For I know the thoughts and plans I have for you," says the Lord. "Thoughts and plans to prosper you and not harm you, and to give you a future and hope."

The Lord sees not only where you are right now: He sees who He calls you to be, and He sees who you can become in Christ. His plans for you are good plans - for peace, prevailing, progress, and prosperity, not defeat.

Understand that this is a process that requires the right perspective. Think His thoughts about who He says you are - according to His word and ways. Learn His word so that you can get into agreement with God - to speak His word over your life. As you do this, the word will take root, and the seed will be watered through a process that leads to revelation knowledge in your spirit.

A transformation in how you think and respond will begin in your soul. Over time, you will learn how to stand in position and posture your heart to see truth. Through the guidance of the Holy Spirit, you will begin to bear fruit and see the glory of God. Understand that this will require that you move by faith in obedience to God.

This places you in a dimension where you grasp that God's thoughts and plans toward you are for good and not evil. Blessings and breakthroughs start to become a reality in your life. You see a transformation in your thoughts, perspectives, character, and desires that align you to His plans for your life.

## **Prayer**

Dear Lord Jesus, may I invest time to learn and seek Your kingdom. May I give You priority, knowing that You are my source for life. I pray to apply what I learn, and to align my thoughts to Yours. Please lead me so that I may discern the things of God, especially in confusing times. I pray to stand in truth knowing that the Father's thoughts toward me are for good and not evil. In Your Name I pray. Amen.

## **Practical Application / Lab**

Reflect on the scriptures below.

Job 23:10 “The Lord knows the way that I take, and when He has tested me, I shall come out pure as gold”

Romans 8:37 “I am more than a conqueror through Christ”

Hebrews 11:6 “Without faith, it is impossible to please God”

Consider any situations, accomplishments, or trials that you are currently experiencing, and think about them in relation to the scriptures above. Layer this on the foundational truth that the Lord’s thoughts and plans toward you are for good and not evil.

Throughout this Construct, write out your thoughts as you reflect. Describe any revelation knowledge that provides insight into the intentions of God concerning you and your life.
