ANDREA SONYA

PRODUCT LICENSING

The Calibrators and Cultivators of Andrea Sonya are obtained through a business license and an individual license, respectively.

Our Calibrators are licensed solely to businesses. Entities including practices or institutions seeking to utilize or leverage the Calibrators may submit an application for a business license. [Apply](#)

The Cultivators are available to individuals through a license subscription plan.

ANDREA SONYA

THE CALIBRATORS

The Calibrators focus on spiritual maturity through life complexities. Meticulously built, each Calibrator includes an immersive lab to facilitate the construction or reconstruction of belief systems that are core to human functionality.
